### SERGE RAVET

#### Reconnaître—Open Recognition Alliance

Serge is a founding member and President of Reconnaître —Open Recognition Alliance a not-for profit association dedicated to promoting the goals of the Bologna Open Recognition Declaration. From ePortfolio to Open Badges, recognition is at the heart of a professional life dedicated to exploring the contribution of digital technologies to the empowerment of individuals and communities, their ability to lead educational and social innovation. Laureate of the Digital Media Learning Trust Challenge (2015) awarded by the MacArthur Foundation, Serge contributed to the development of the Open Badge Passport and the publication of the Bologna Open Recognition Declaration (2016).
